

# Careers

## We're Hiring!

Total Physio Clinics Inc. is accepting resumes for various positions.

Although, we may not be currently hiring in the field of your interest, please send your resume with confidence to [totalphysioqueenston@gmail.com](mailto:totalphysioqueenston@gmail.com)

We are consistently growing and select resumes collected in our database before advertising externally.

Thank you for your interest in Total Physio and we wish you the best of luck during your job search!

It could be Your Name Tag!

## Administrative Assistants

Total Physio is looking for **part time and full time** Administrative Assistants. The ideal candidate will be friendly, enthusiastic, detail orientated and flexible. Administrative Assistants should have a positive attitude, able to multi-task and set priorities, manage own workload, handle tight deadlines and excellent customer service skills. Must be available days, evenings and Saturdays. Experience is an asset, but will train the right individual.

## Physiotherapist Assistant

Total Physio is looking for a **part time / casual** Physiotherapist Assistant. As a vital member of the Patient Care Team, a Physiotherapist Assistant should have a positive, personable, compassionate and friendly attitude. Must be available for all clinic hours, days and evenings. Candidates should have PTA accreditation. Experience is an asset but new grads are welcome!

## Full & Part Time Physiotherapists

Due to our expanding patient base, Total Physio Clinics Inc. is now offering **part time and full time Physiotherapists positions** for our three Hamilton locations: 754 Queenston Rd., 700 Main St. E., and 640

Mohawk Rd. W.

As modern, state-of-the-art facilities, Total Physio Clinics have been providing rehabilitation and physiotherapy services to the greater Hamilton area for the past 18 years. Our goal is to educate and help people with pain or injury in a friendly, relaxed, family like atmosphere.

Total Physio focuses on manual therapy and adjustments, therapeutic and conditioning exercises, various physical modalities, education and customized home-based programs, as well as a vast variety of specialty programs (i.e. Women's Health, Obesity, Fall Prevention and Balance Retraining, Post Op Partial Weight Bearing and Gait Retraining). We have always led the way in using unique equipment and modern methods. This includes DRS Spinal Decompression, Light/Laser Therapy, NeuroGym® - Motor Control Retraining, Biofeedback, Shockwave Therapy, ATM 2 System - Active Therapy Movement, Pneu-Lift and BTE Work Stimulator.

We are looking for flexible, enthusiastic and personable Physiotherapists to compliment our multidisciplinary Patient Care Team, which currently consists of Physiotherapists, Doctors of Chiropractic, Physio Assistants, Kinesiologists, Registered Massage Therapists, Acupuncturists and Complementary Health Care Practitioners. We have a caseload of private paying patients, as well as motor vehicle accident (MVA) and work injury (WSIB) patients.

If you enjoy working within a small clinic environment, focused on quality patient care, our 700 Main St. E. location is perfect for new graduates as this relaxed atmosphere allows for mentoring and skill/experience development. Our 754 Queenston Rd., and 640 Mohawk Rd. W. clinics typically treat more patients on a daily basis and therefore generate faster paced atmospheres. All of which, provide exceptional patient centred care. At Total Physio, even established Physiotherapists have the opportunity to expand their knowledge through developing skills on our unique equipment and techniques, as well as specialize in various treatments.

We offer competitive remuneration through salary, self-employment or on a per patient/session basis, as well as benefit packages. Total Physio also offers flexible work hours and continuing education allowance.

We would be very interested in speaking with you further regarding your experience and interests. We welcome new grads to apply. We can be contacted by email at [rehab@total-physio.com](mailto:rehab@total-physio.com), or at our 640 Mohawk Rd. W. clinic at 905-318-2495.
